JOIN US FOR A FANTASTIC WEEKLONG EXPLORATION!

Rail and Intermodal Transportation explorations all week long, including hands-on and classroom activities! Several field visits will give you a first-hand look at the Rail and Intermodal Transportation industry–the people who keep the world on the move. Learn about railroad track structure, railyard operations, how truckers do their work, and many more facets of this fascinating industry, all while staying in the beautiful Lake Superior Region of Michigan, Wisconsin and Minnesota.

SPACE IS LIMITED SIGN UP EARLY!

Application Deadline: May 1st | Scholarships Available

Information and Applications are now available online at: **http://syp.mtu.edu.**
