INNOVATION. REALIZED.

www.gsengineering.com

Bergmann

7050 West Saginaw Highway -
Suite 200
Lansing, MI 48917

www.bergmannpc.com

BERGMANN
ARCHITECTS ENGINEERS PLANNERS

Bergmann is a progressive, multi-disciplinary architectural, engineering and planning firm providing services nationally from our strategically located 11 offices. We offer more than 400 talented professionals who pride themselves on the highest level of integrity, dependability, ethics and quality of work. Midwest Regional offices in Lansing, Grand Rapids and Toledo.

CN Railway

17641 South Ashland Ave
Homewood, IL 60430

www.cn.ca

CN is North America's railroad, a true backbone of the economy, transporting more than \$185 billion worth of goods annually for a wide range of business sectors, ranging from resource products to manufactured products to consumer goods, across a rail network of approximately 20,000 route-miles spanning Canada and mid-America.

CSX

1 Bell Crossing
Selkirk, NY 12158

www.csx.com

CSX Corporation, together with its subsidiaries based in Jacksonville, Fla., is one of the nation's leading transportation suppliers. The company's rail and intermodal businesses provide rail-based transportation services including traditional rail service and the transport of intermodal containers and trailers. Our network encompasses about 21,000 route miles of track in 23 states, the District of Columbia and the Canadian provinces of Ontario and Quebec.

GS Engineering

47500 US HWY 41
Houghton, MI 49931

<http://www.gsengineering.com>

GS Engineering, Inc. is a multi-disciplined company focused on cutting-edge innovation and product realization with extensive experience in off-highway mobile equipment design. Our team provides turn-key engineering solutions across many industries, supporting mechanical and electrical design, modeling and simulation, laboratory and field test activities, and production of components throughout the product lifecycle.

<p>GoRail 425 3rd St SW Washington, DC 20024, US https://www.gorail.org/</p> 	<p>Founded in 2004 on the principle that “all politics is local,” we believe that direct input from constituents is the best way to communicate with elected officials. GoRail works with thousands of community leaders across the country to tell the local story of freight rail — stronger economies, more jobs and cleaner skies.</p>
<p>Hardesty & Hanover 2140 University Park Drive, Suite 290 Okemos, MI 48864 https://www.hardestyhanover.com</p> 	<p>Hardesty & Hanover has over 130 years experience providing complex and innovative solutions. Our Engineers specialize in managing the entire engineering life-cycle using the latest project management, design, and support innovations. As a result, projects are on time, on budget, with a high standard of design, durability, safety, and aesthetics.</p>
<p>HDR Inc. 1917 S. 57th Street Omaha, NE 68106 http://www.hdrinc.com</p> 	<p>HDR has partnered with clients to shape communities and push the boundaries of what's possible since 1917. From facilities to steel bridges to soaring flyovers, we offer customized rail infrastructure solutions. We bring our comprehensive suite of services to every project, fusing together engineering and operating practices with regulatory understanding, economics savvy and technical skills to deliver cost-saving innovation.</p>
<p>Michigan Association of Railroad Passengers (MARP) PO Box 405 Okemos, MI 48805 www.marp.org</p> 	<p>The Michigan Association of Railroad Passengers, Inc. is a 501(c)(3) all-volunteer advocacy organization founded in 1973 to improve passenger train and intercity bus services, travel conditions for passengers, and to support the preservation of historic rail stations. MARP publishes a bi-annual newspaper and a monthly online bulletin. Visit us at www.marp.org. Contact us at marprail@yahoo.com.</p>

MSU

Henry Center

3535 Forest Rd. C-34

Lansing, MI 48910

<https://broad.msu.edu/railway-center/>

Center for Railway
Research and Education
Broad College of Business
MICHIGAN STATE UNIVERSITY

Michigan State University Center for Railway Research and Education provides continuing education, including the Railway Management Certificate Program, and customized seminars. Additionally, research projects, expertise in energy, motive-power, and management for freight, passenger and transit rail.

Norfolk Southern Corporation

411 East Franklin Street, Suite 501

Richmond, VA 23219

www.nscorp.com

Norfolk Southern Corporation is a premier U.S. transportation company. Its Norfolk Southern Railway subsidiary operates approximately 19,500 route miles in 22 states and provides efficient connections to other rail carriers. NS operates the most extensive intermodal network in the East and is a major transporter of coal, automotive, and industrial products.

Pathfinder Engineering

2335 Byron Center Ave. SW

Wyoming, MI 49519

www.pathfinderengineering.com

Pathfinder Engineering, Incorporated is a Civil Engineering firm that provides professional engineering and surveying services. Services provided are industrial, residential and commercial development. Engineering services include municipal engineering, infrastructure projects, plan reviews, Special Assessment District Assistance and fee structures. Specialty services are available for private railroad design and airport design infrastructure design.

Pettibone/Traverse Lift, LLC

1100 Superior Ave

Baraga, MI 49908

www.gopettibone.com

Founded in 1881, Pettibone has been recognized as a leading manufacturer of material handling equipment for oil and gas, construction, rail, and forestry markets. For more information, call 906-353-4800 or 800-467-3884, or visit www.gopettibone.com.

Prime Focus, LLC

981 Fox River Drive

De Pere, WI 54115

www.primefocusllc.com

Prime Focus LLC, established in 2001, is a freight transportation planning and logistic consulting firm, with expertise in grant writing and economic development. Ms. Ogard worked for BNSF, Conrail and Schneider National and has managed rail shipments, dedicated, irregular route truckloads, and refrigerated, domestic and international intermodal shipments.

Quandel Consultants

161 N. Clark Street, Suite 2060

Chicago, IL 60601

www.quandelconstultants.com

Quandel Consultants is a Chicago-based and employee owned professional engineering firm. Quandel has worked with federal, state, and local governments to improve rail corridors to implement enhanced passenger and freight rail service. Since our founding in 2007, Quandel expanded nationally with 9 offices comprised of professionals dedicated to rail planning, engineering, and program management making us one of the largest "pure" rail engineering firms in the Midwest.

RELAM

7695 Bond Street

Glenwillow, OH 44139

<http://www.RELAMinc.com>

Railway Equipment Leasing And Maintenance (RELAM) has a wide array of equipment options designed to solve all of your MOW needs.

We offer custom financing programs that allow you to select the railroad equipment you want — from Tampers to Spikers to Cranes and more — without compromising your financial stability.

Stella Jones

4284 Webster Bridge Rd

East Jordan, MI 49727

<https://www.stella-jones.com/en>

Stella-Jones is North America's leading producer of industrial pressure-treated wood products. Responding to the vital infrastructure needs of our economy, we manufacture and distribute railway ties, utility poles, residential lumber and industrial wood products across the continent.

<p>WI-TRONIX 631 E. Boughton Road Bolingbrook, IL 60550 https://www2.wi-tronix.com/</p> 	<p>Enabling railway operations with powerful edge and cloud processing, analytics and alerts defines the Wi-Tronix global mission. We deliver advanced IoT platforms that provide actionable information and insights on rail network performance. We are empowering freight, passenger and transit system railways develop long-term strategies for safety, efficiency, and reliability.</p>
<p>WSP USA 30 North La Salle St. Suite 4200 Chicago, IL 60602 www.wsp.com/en-US</p> 	<p>At WSP USA, formerly WSP Parsons Brinckerhoff, our expertise lies at the intersection of the infrastructure and the skylines we have helped to shape from coast to coast.</p>

The planning committee and organizing partners want to thank our sponsors tremendously! Without their support, we wouldn't be able to provide such a great conference at a reasonable rate for attendees!

THANK YOU!!!
