MICHIGAN STATE UNIVERSITY

**DB E.C.O. North America Inc.**

**Amtrak**

500 W. Jackson Blvd  
Chicago, IL 60661  
www.amtrak.com

"Amtrak is America's railroad. We serve and connect 500+ communities in the US and Canada on 21,400+ route miles. We're investing in America's passenger rail network and bringing more trains to more people!"

**CN**

17641 South Ashland Ave  
Homewood, IL 60430  
www.cn.ca

"CN is a true backbone of the economy whose team of approximately 24,000 railroaders transports more than C\$250 billion worth of goods annually for a wide range of business sectors, ranging from resource products to manufactured products to consumer goods, across a rail network of approximately 20,000 route-miles spanning Canada and mid-America."

**Colliers Engineering & Design**

101 Crawfords Corner Road,  
Suite 3400  
Holmdel, NJ 07733  
colliersengineering.com

"Colliers Engineering & Design is a trusted provider of multi-discipline engineering, design, and consulting services to public and private sector clients.

We specialize in providing a comprehensive suite of services through talented professionals in offices nationwide who utilize the most advanced technologies to deliver customized solutions for our clients."

**CSX Transportation**

2600 Parsons Avenue  
Columbus, OH 43207  
csx.com

"CSX Corporation, together with its subsidiaries based in Jacksonville, Fla., is one of the nation's leading transportation suppliers. The company's rail and intermodal businesses provide rail-based transportation services including traditional rail service and the transport of intermodal containers and trailers. Our network encompasses about 21,000 route miles of track in 23 states, the District of Columbia and the Canadian provinces of Ontario and Quebec."

**DB E.C.O. North America Inc.**

Washington, D.C.  
<https://www.linkedin.com/company/db-engineering-consulting-usa-inc>

**DB E.C.O. North America Inc.**

“DB E.C.O. North America Inc. offers consulting and engineering services for passenger and freight transport - from conception through to operation. For our clients around the world we develop innovative and sustainable mobility and transport solutions resulting from our experience gained from more than 40 years of project work and the know-how of Deutsche Bahn.”

**Genesee & Wyoming**

3670 North Euclid Ave  
Bay City, MI 48706  
[www.gwrr.com](http://www.gwrr.com)

“Genesee & Wyoming’s North American operations include 110 short line and regional railroads with 4,200 employees serving 2,500 customers in 43 U.S. states and four Canadian provinces. The company also offers industrial development; transload; and railcar switching, maintenance and repair services; as well as rail service at more than 30 major ports.”

**GoRail**

425 3rd St SW, Suite 940  
Washington, DC 20024  
<http://www.gorail.org>

“GoRail educates community leaders across the country about the public benefits of freight rail investments, mobilizing them in support of an even stronger rail network. We believe every ton of freight moved by rail strengthens the economy, creates jobs, mitigates pollution and saves taxpayers money.”

**HDR Inc**

1917 S. 67th Street  
Omaha, NE 68106  
[hdrinc.com](http://hdrinc.com)

“For over a century, HDR has partnered with clients to shape communities and push the boundaries of what’s possible. Our expertise spans more than 11,000 employees in more than 200 locations around the world — and counting. Our engineering, architecture, environmental and construction services bring an impressive breadth of knowledge to every project. Our optimistic approach to finding innovative solutions defined our past and drives our future. For more information, please visit [www.hdrinc.com](http://www.hdrinc.com).”

**Lake State Railway (LSRC)**

750 N. Washington Ave  
Saginaw, MI 48607  
www.lsrc.com

“Lake State Railway is a privately held operating approximately 380 miles of railroad on the East side of Michigan from Plymouth to northern points of Gaylord & Alpena. The railroad is diverse moving large quantities of grain, aggregate, coal, lumber, and chemical products.”

**Mannik Smith Group**

1800 Indian Wood Circle  
Maumee, OH 43537  
www.manniksmithgroup.com

“Founded in 1955, MSG has a proud 65+ year history of delivering consulting solutions to governmental agencies, municipalities, and private entities across North America. MSG’s long-term strategic vision for growth includes expansion in its existing markets and broadening into complementary markets and geographies. MSG’s leadership constantly searches for opportunities to innovate and collaborate in order to benefit its clients and create opportunities for its staff to grow their careers.”

**Michael Baker International**

1111 Superior Avenue E, Suite 2300  
Cleveland, OH 44067  
www.mbakerial.com

“Michael Baker International is a leading provider of engineering and consulting services that encompass all facets of infrastructure including planning, design, architecture, environmental, construction and program management. We help our rail clients with state of good repair, capacity, safety, community, asset management, development, environmental stewardship and sustainability projects.”

**Michigan Association of Railroad Passengers**

PO Box 405  
Okemos, MI 48805  
<http://www.marp.org>

**Michigan Association  
of Railroad Passengers**

““Working to Improve and Expand Passenger Rail Services in Michigan”

MARP is a 501 (c)(3) all volunteer organization established in 1973 to improve passenger train and intercity bus services, travel conditions for passengers, and to support the preservation of historic rail stations.”

**MSU - Center for Railway Research & Education**

Broad College of Business, 3535 Forest Road  
Lansing, MI 48910  
<https://broad.msu.edu/railway-center/>

Center for Railway Research and Education  
Broad College of Business  
MICHIGAN STATE UNIVERSITY

“Michigan State University Center for Railway Research and Education provides continuing education, including the Railway Management Certificate Program, and customized seminars. Additionally, research projects, expertise in energy, motive-power, and management for freight, passenger and transit rail.”

**Norfolk Southern Railroad**

411 East Franklin Street, Suite 501  
Richmond, VA 23219  
<http://www.nscorp.com>

“Norfolk Southern Corporation is one of the nation’s premier transportation companies. Its Norfolk Southern Railway Company subsidiary operates approximately 19,300 route miles in 22 states and the District of Columbia, serves every major container port in the eastern United States, and provides efficient connections to other rail carriers.”

**Pathfinder Engineering, Inc.**

2335 Byron Center Ave SW  
Wyoming, MI 49519  
[www.pathfinderengineering.com](http://www.pathfinderengineering.com)

“Pathfinder Engineering, Incorporated is a Civil Engineering firm that provides professional engineering and surveying services. Services provided are industrial, residential and commercial development. Engineering services include municipal engineering, infrastructure projects, plan reviews, Special Assessment District Assistance and fee structures. Specialty services are available for private railroad design and airport design infrastructure design.”

**Quandel Consultants, Inc**

161 N Clark St, Suite 2060  
Chicago, IL 60601  
[www.quandelconsultants.com](http://www.quandelconsultants.com)

“Quandel Consultants is a Chicago-based and employee-owned professional engineering firm, with 2 Michigan offices. Quandel proudly serves MDOT’s Office of Rail on various projects, most notably as the PM of the Michigan Accelerated Rail Project, the first passenger rail outside of the NEC to reach speeds up to 110mph.”

**SW Bridge**

523 W North Street  
Deforest, WI 53532  
[www.swbridge.com](http://www.swbridge.com)

“At SW Bridge, our focus is on railroad bridge structures. Our clients include shortlines, regionals, and Class 1 railroads and we tailor our engineering to the characteristics of the railroad. We create designs that anticipate field conditions, satisfy track time constraints, and deliver a durable and functional final product.”

**Toledo-Lucas County Port Authority**

One Maritime Plaza  
Toledo, OH 43604  
[toledoport.org](http://toledoport.org)

“The Toledo-Lucas County Port Authority was created in 1955. As the first port authority established in Ohio, we connect to the community by driving economic development through strategic partnerships, operations of the Toledo Seaport and Airports, and offering nationally recognized financing programs, which create and retain jobs in our region.”

**US Trackworks, LLC**

1165 142nd Ave  
Wayland, MI 49315  
<http://ustrackworks.com/>

“US Trackworks, LLC is a railroad construction company located in Michigan, serving the needs of railroad customers in the Midwest. We specialize in railroad construction, maintenance, removal, engineering, and railcar repairs in Michigan, Indiana, Illinois, and Ohio. We have over 70 years of management experience and knowledge within the railroad industry.”

**WSP**

Guardian Building, 500  
Griswold Street, Suite 2600  
Detroit, MI 48226  
<http://www.wsp.com/>

“WSP supports our partners in delivering a vibrant passenger rail system connecting the Midwest and the Nation. Our experts help win record funding then plan, design and build intercity passenger rail corridors, stations, and rail infrastructure improvements. Rail is FutureReady, and so is WSP.”
